“Students Extra Educational Development (S.E.E.D)”

SHOP 'n SAVE has hosted the "Students Extra Educational Development (S.E.E.D.)" program for over 20 years, bringing assemblies from The Pittsburgh Zoo, Carnegie Science Center and Carnegie Museum of Natural History to children of all ages. These assemblies are hands-on learning experiences that range from science and the environment to space exploration and animal life. To be eligible to participate in the S.E.E.D. program, students are asked to collect receipts from SHOP 'n SAVE.

William Penn needs to collect \$250 worth of receipts per student to host a free assembly. We will be collecting these receipts for the entire school year (remember to save them over the summer). Please save all of your receipts and turn them in. We would like to be able to offer these assemblies each year. Please send all receipts to school in an envelope. Place your envelope in the plastic drawer marked SHOP 'n SAVE across from the office. If you have any questions, please contact Dawn Leonard at 412-595-7627 or [dleonard419@yahoo.com](mailto:dleonard419@yahoo.com).
